

## Y-12 CAFETERIA TO REOPEN ON JUNE 29

HERE IS THE GOOD turnout of B Shift employees at the group's first picnic, staged June 9 at Pellissippi Point on Norris Lake.

NATURALLY, PICNICS MEAN LOTS OF VICTUALS, SO HERE ARE shown two groups of B Shifters devouring their outing lunches. At left is a group consisting of, from left, Bobby Phillips, Beta Four; Mrs. Phillips, Mrs. S. F. Creigh, Miss Ann Harlan; David Creigh and S. F. Creigh, B Shift Superintendent. At right, the luncheoners are Mrs. Cecelia Frazier,

wife of Wayne Frazier, General Machine Shop; Mrs. Evelyn Frazier and her husband, Carl, Colex Operations and chairman of the B Shift Recreation Committee; Harry Bainbridge, B Shift Assistant Superintendent; young Stanley Earl Frazier, Carl's son; Mrs. Ed Fleischman and her husband, of Colex Operations; and Mrs. Bainbridge. More pictures next week.

### Attractive Menu Will Be Offered Next Wednesday

#### Extensive Remodeling To Give Better Service; Dining Room Floored

Extensively remodeled with modern equipment installed to better serve its patrons, the Y-12 Cafeteria will be reopened next Wednesday, June 29, after a month of varied alteration work. To mark the opening, a particularly attractive menu has been prepared by George J. McNamee, Cafeteria Supervisor, for next Wednesday. In addition to a complete and tasty selection of food items for the opening lunch offering, one of the 50-cent Cafeteria Specials also will be offered on the reopening date.

#### More Time Allowed

The Cafeteria originally was scheduled to be reopened on Monday, June 27, but the time was moved back two days to give the Cafeteria employees plenty of opportunity to become acquainted with the new cooking equipment so that the best possible service may be given.

Cafeteria patrons next Wednesday will find the main dining room newly floored with asphalt tile from wall to wall to provide more comfort and deaden the dining room noise. The tile is of a marbled design and is attractive in design. Replacing the old wooden railings and tray slides are new ones of shiny stainless steel.

#### Most Work In Kitchen

However, it is behind the kitchen walls that most of the remodeling and improvement has taken place. New cooking equipment includes ranges, baking ovens, roasting ovens, mixers, deep-fat fryers and stainless steel sinks. This new equipment will permit quicker and more efficient service on the part of the Cafeteria staff. One of the biggest steps forward is the regrouping of functions to provide more efficient service.

The entire kitchen area also has been redecorated with a red tile floor and walls of plastic green tile with black trim. Hanging ceilings also have been installed.

For the reopening lunch menu

### Heart Attack Fatal To Pat James Ridge

A number of Y-12 friends attended the last rites for Pat James Ridge, 51, in Oak Ridge and Knoxville last Friday morning. The popular Y-12er, Assistant Laboratory Supervisor in the Special Testing Department of the Technical Division, died early Wednesday morning, June 15, after a heart attack.

#### Buried In Knoxville

The final rites of the Catholic Church were administered for Mr. Ridge by Father Francis McRedmond, of St. Mary's Church, Oak Ridge. The Rosary was read at 8 o'clock last Thursday night at the chapel of the Martin Funeral Home, Oak Ridge, and Mass was held at 9 o'clock Friday morning, June 17. Interment was in Calvary Cemetery, Knoxville.

Mr. Ridge suffered his fatal heart attack about 4:30 a.m., June 15, at the apartment he shared with H. C. McBirney, of Colex Operations, at 318 East Fairview Road, Oak Ridge. He was rushed to Oak Ridge Hospital, but was declared dead on arrival.

#### Born In St. Paul

Mr. Ridge was born in St. Paul, Minn., March 11, 1904. He graduated from St. Johns School there and then attended the Rasmussen Business School where he studied business courses. After working in positions in Minneapolis, Minn., Mason City, Iowa, and Nashville, Tenn., he was employed in Y-12 on March 6, 1944.

Surviving are four sisters, Mrs. Agnes Catherine Helps, Mrs. Mary Elizabeth Thornton, Mrs. Anne V. Scarsdale and Mrs. Sally Magistad, all of St. Paul.

### SAFETY SCOREBOARD

The Y-12 Plant Has Operated

Six Days Or

203,904 Man-Hours

(Unofficial Estimate)

Without A Lost Time Accident

Through June 19

### Harold W. Ditchen Promoted To Foreman

Fellow employees in the Research Services Department of the Maintenance Division are congratulating Harold W. Ditchen over his recent promotion from Electronic Maintenance Mechanic to the position of Foreman in the ranks of Supervision. The advancement became effective June 1.

H. W. Ditchen

Ditchen is a real old timer in the Y-12 Plant, having been employed on December 23, 1943, when the plant was just beginning to function. He is married and lives at 102 Venus Lane, Oak Ridge.

#### PET POPULATION LARGE

The pet population of the United States is estimated at some 22,500,000 dogs, 26,500,000 cats, some 9,000,000 parakeets and 6,000,000 canaries.

### Vote On Safety Award Articles Is Seen As Determining Wishes Of Most Employees

A representative cross-section of Carbide employees in the Y-12 Plant Area participated in the poll by the Safety Department to select 11 articles to be offered as individual safety awards for the 15th Carbide Safety Period in the plant, and the Safety Department will take immediate steps to obtain the articles. The poll was completed on Friday, June 10, with a total of 1,120 votes cast for the wide variety of articles offered.

#### Samples To Be Displayed

Samples of the 11 articles chosen will be obtained and placed on display at the five Y-12 portals. Then individual selection cards will be distributed to eligible employees throughout the Y-12 Plant Area and, after a reasonable period to allow selections to be made, the final purchases will be made.

The Safety Department points out that the poll gave every eligible employee in the Y-12 Plant Area an opportunity to voice an opinion on the articles to be offered as individual safety awards. The ballot presented a list of 32

Continued on Page 4

### July 1 Deadline Is Set To Obtain Safety Awards

Approximately 100 individual safety awards for eligible Carbide employees in the Y-12 Plant Area for participating in the 13th and 14th Carbide Safety Periods have not been called for at the Safety Department office, Bldg. 9704-2. A deadline for picking up these items has been set for Friday, July 1, and all the awards must be distributed by that date.

### Wife Of Y-12er Named To Wives' Directors

Mrs. James O'Bannon, whose husband is employed in the Y-12 E Mechanical Operations Department, was among the five new members of the executive board of directors of the Carbide Wives elected last Wednesday night, June 15. The others named at the monthly meeting of the organization were Mesdames R. A. Hamrick, Shipley Johnson, F. G. Seeley and Harold Williams. They will serve for one year.

The entire executive board was scheduled to meet on Tuesday night of this week to elect a president, secretary and treasurer to serve for the next six months. Mrs. R. E. Webb, whose husband is with the Y-12 Production Analysis Department, has been president for the past six months and is a retiring member of the executive board. The other retiring members are Mesdames J. K. Lowery, W. M. Cabbage and T. M. Deal.

At the June 15 meeting and card party of the Carbide Wives the first-bridge prize was won by Mrs. Lillian Akin and second prize by Mrs. William Carr. Mrs. M. L. Angel took first prize in canasta with Mrs. T. M. Deal second. The bingo prize was won by Mrs. C. W. Taylor.

### Pipefitter Suffers Burned Eyes While Aiding Welder

Another disabling injury was suffered by a Y-12 employee on Monday morning, June 13, when a pipefitter assisting a welder suffered flash burns of both eyes. The accident occurred in Bldg. 9201-4. The pipefitter was not wearing goggles at the time of the mishap.

According to the Safety Department, the welder struck an arc with his equipment before the pipefitter had an opportunity to turn his head away from the flash. The injured man did not realize he had suffered the burns until several hours later when his eyes began to pain severely. He was hospitalized for one night.

## Evacuation Alert Test In Y-12 Seen 85 Pct. Effective

### Survey Will Provide Means Of Improving System In Plant Area

The evacuation alarm test signal sounded in Y-12 at 11:05 a.m., on Wednesday, June 15, was found about 85 per cent effective, plant officials announced after making a survey of results of the horn blasts. The alarm was sounded as a part of "Operation Alert 1955" that was widely observed throughout the country.

#### Horns, P-A Systems Used

In Y-12 the air horns sounded their alternate half-second blasts with similar periods of silence for a period of three minutes. The horns were augmented by public address systems in buildings, where such equipment is installed and also by a loud speaker on the Y-12 Fire Department emergency truck.

Through all of these alarm mediums only a small portion of Carbide employees in the Y-12 Plant Area were not alerted for the emergency. No movement of personnel was planned during the test alarm.

#### Radio Test Also Held

In another phase of the test, a Guard Department radio car left the plant at the time the alarm signal was sounded. Radio communication was kept between the plant and the automobile until the vehicle had proceeded to a point about 17 miles from the plant, proceeding along one of the regularly prescribed evacuation routes.

Plant authorities will closely study the results of the survey of the test alarm and immediately begin plans for making the alarm signal 100 per cent effective throughout the plant.

#### Effectiveness Is Pleasing

The estimated 85 per cent effectiveness of the test alarm was pleasing to Y-12ers conducting the test, despite a partial failure of one of the air horns during the test. Reports from throughout the nation showed many similar weaknesses in the general tests, which were made for the specific purpose of determining the worth of communications and warning systems set up to alert the public in case of a hydrogen or atomic bomb attack.

### 10 Years Service

Congratulations to the following Y-12 employees who will complete 10 years of Company Service within the next few days:

**Paris D. Pace**, Health Physics, June 25.

**Frederick J. Sherrod**, Stores, June 25.

**Mary K. Mattingly**, Production Assay, June 26.

**Eddie Johnson**, Automotive Equipment Maintenance, June 27.

#### HUDSON—PENLAND

Of special interest to many friends of the bride in Y-12 was the wedding on May 27 of Miss Bessie Montez Penland, of the Stores Department, to James Edward Hudson, a K-25 employee. The ceremony was performed at 7 p.m. at the Chapel-On-The-Hill, Oak Ridge, with the Rev. Harley Patterson, pastor of the United Church, officiating.

The bride is the daughter of Mr. and Mrs. H. R. Penland, of Sealy, N. C. Parents of the groom were the late Mr. and Mrs. S. R. Hudson, of Lenoir City, Tenn.

Mrs. Hudson, given in marriage by her brother, Edwin Penland, of the Y-12 Travel Office, wore a gown made on princess lines of traditional bridal satin with applied lace on the wide skirt that extended into chapel-length train. The yoke was of nylon net outlined in pearls. Her fingertip veil of nylon was held in place by a cap of net illusion and seed pearls. Her bouquet was stephanotis centered with a white orchid with white satin streamers.

Miss Elaine Penland, sister of the bride, was maid of honor. She wore a light blue dress with scalloped neckline made of lace and a skirt of nylon net over taffeta. Her bouquet was of blue roses to match her dress.

Ed Bell, of Loudon, Tenn., acted as best man and ushers were Carl E. Penland, a brother of the bride; and Robert P. Darnell, both of Oak Ridge.

During the ceremony appropriate music was provided by Miss Barbara Watkins, of the Y-12 Stores Department, at the organ; and David Miller, vocalist. He sang "Because" and "A Perfect Love."

A reception was held at the home of the bride immediately following the ceremony. Serving were Miss Kate Penland, a sister of the bride and also a Y-12er; Mary Nelle Hudson, sister of the groom; Mrs. W. H. Vannoy, also a sister of the bride; and Mrs. Edwin Penland, sister-in-law of the bride.

Mrs. Hudson is a graduate of Brevard College, Brevard, N. C., and also attended high school at Highlands, N. C. Her husband attended Lenoir City High School.

The couple will live in Oak Ridge.

#### SHELTON—TORRENCE

The marriage of Miss Etta Jean Torrence and Thomas Earl Shelton, whose mother is a Y-12 employee, was solemnized at 4 o'clock Saturday afternoon, June 11, at the Oak Ridge Central Baptist Church. The ceremony was performed by the Rev. Kenneth B. Combs, pastor of the church.

The groom is the son of Mrs. Eleanor Duke, of the Y-12 Product Processing Department, and the late Carl Aubrey Shelton, of Blountsville, Ala. Mrs. Duke's husband is Kirby J. Duke, of the Y-12 C Mechanical Operations Department. They live in Burchfield Heights.

The bride is the daughter of Mr. and Mrs. Bernard Morris Torrence, of Kenova, W. Va.

A program of wedding music was played by Miss Joyce Overton, organist; and Fritz McDuffie, vocalist.

For her wedding, the bride wore a gown of white nylon tulle over bridal satin fashioned with a fitted bodice, a yoke of illusion forming a jewel neckline, short puffed sleeves and full skirt. She carried a bouquet of white roses and gladioli.

Maid of honor was Miss Marguerite Torrence, sister of the bride from Kenova. Bridesmaids were Miss Ethel Kufahl, Dayton, Ohio; and Mrs. James Donald Shelton, of Memphis, Tenn.

Acting as best man was James

Mrs. James Edward Hudson

Mr. and Mrs. Thomas Earl Shelton

Mr. and Mrs. Herbert H. Howard

Donald Shelton, brother of the groom. Ushers were Thomas F. Mullinix and Charles Gabbard, of Oak Ridge; and Pat Carter, of Blountsville, Ala.

Following the ceremony a reception was held at the home of the groom's mother.

The couple took a honeymoon trip to Miami, Fla., and will live in Portsmouth, Ohio.

#### HOWARD—HUMAN

Herbert H. Howard, of the Y-12 Beta Two Department, and Miss Doris Human, of Lancing, Tenn., were married on Sunday, May 29, at Lancing. The ceremony was performed by the Rev. Ira Sexton.

The bride is the daughter of Mr. and Mrs. Onex Human, of Lancing. The groom is the son of L. G. Howard, also of Lancing.

The bride, who wore a white dress, hat and shoes and carried a white orchid on a white Bible, was given in marriage by her father.

The corn grows high this week—stick around and we'll crack some.

#### INDUSTRIAL RELATIONS

Blanche Gibbs, Medical, is vacationing in the big city of New York.

Guard Department Capt. M. L. Woodard spent his vacation visiting his sister from Arkansas as both were in Middle Tennessee.

Liz Campbell was welcomed back last week after recovering from an operation. Other vacationers include M. S. McPherson, W. E. Bruce, J. H. Russell, W. B. Davis and W. M. Queener.

Capt. E. F. Greer, Fire Prevention and Control, is a Florida vacationer.

Bill Davis, Security, is taking it easy over at Eagle Lodge on Watts Bar Lake. Fred Williams, the picture-taking boy, also is vacationing and both are going to do a lot of fishing.

Employment welcomes Louise Gardipee back after being ill.

#### MANUFACTURING OFFICE

Sarah Frye, Property Sales, vacationed at home in Knoxville.

R. V. Brackney is touring Florida.

Billie Rather went to Chicago.

C. D. Borum is taking two weeks at home.

Sid Lyles is back after his recent illness.

Charley Hall, Mail Room, is lolling around Rockwood this week.

Ella Mae Koontz, Reproduction, is taking it easy in Knoxville.

Lennis Winchester McCartha, formerly in Plant Records, is the proud mother of a new son—Samuel Byron McCartha was born last week in Rome, Ga.

Property extends get-well wishes to Dee Asbury, ill in Oak Ridge Hospital. A 2/C John F. Estey, son of H. I. Esty, is home on furlough after graduating from Fixed Ground Radar School at Keesler Air Force Base, Biloxi, Miss. He will leave soon to report to Manhattan Beach Air Force Base on Long Island, N. Y., for processing for a one-year tour of duty at Goose Bay, Labrador — brrrr.

Material Control gave a party for Bessie Penland Hudson (recent bride, see wedding notice elsewhere) at the home of Mrs. Ethel Cruze in Knoxville with Mary Nelle Smith as co-hostess. R. H. Evans is back after being out ill. F. Colburn is getting his get-well wishes at Oak Ridge Hospital.

Ed Webber, Stores, also is receiving rapid-recovery wishes.

Production Inspection is hoping the daughter of Richard Dew will recover soon from an appendectomy performed in North Carolina.

Ed Bailey, Uranium Control, vacationed in Sandusky, Ohio.

#### TECHNICAL

Chemical and Industrial Engineering is glad Troy Burklow is back after being ill. Congratulations to George H. Heins, married on June 11. Betty Hudnall is still talking about her fine vacation at Myrtle Beach. L. Kovach is back after a week's visit with friends and relatives in New Jersey and New York.

Paul Galle, Project Engineering, had more fun than anybody last week by entertaining his grandchildren. Ken Cook is vacationing and entertaining out-of-town kin folks.

R. M. Kemper, Jr., and J. Marcotte are Civil and Architectural Engineering vacationers this week—no more details.

Electrical Engineering welcomes newcomer F. J. Lueking. Marjorie Yates got away on vacation without telling where.

Clara Hickey, Mechanical Engineering, vacationed in Mississippi.

Wilma Brock, Health Physics, is vacationing in St. Louis, Mo.

ADP Development reports A. J. Holmes and Mrs. Holmes are seeing sights at New York City and Niagara Falls.

J. E. Perry and his wife are in Atlanta. K. O. Pearson and H. P. Krogg got the welcome mat treatment given new employees last week.

Jack Day is still ailing. Good wishes go to C. E. Hamrin, a co-op student who has returned to Northwestern University, Evanston, Ill.

Another joining of Y-12 families through matrimony occurred last week when Dave Hansford, SDA Development, was married to Barbara Hopkins, daughter of W. M. Hopkins, Civil and Architectural Engineering. C. F. Piper went over to South Carolina for vacation. P. E. Wilkinson and S. G. Campbell are newcomers given warm welcomes. Z. I. Ardery and Bill Hackett are proud fathers swapping tales about their new sons—but no further vital statistics available here.

#### MECHANICAL OPERATIONS

Vacation news monopolizes Mechanical Operations Division this week. J. W. Heatherly and family are in the Smokies and going on to Virginia Beach.

H. F. Harris is with his sister in Detroit, Mich. O. A. Holman went out to Wichita, Kan.

J. B. Kimsey chose Daytona Beach.

A. B. Blevins went on to Miami.

So did V. D. Cooper. B. G. Nelson is another Florida sun-seeker with his mother and father.

E. T. Henry journeyed up to Louisville, Ky. L. B. Lannon hiked over to Mountain Home, Ark., to do some fishing on the White River in the Ozarks.

W. A. Sharp journeyed to Pontiac, Mich. Washington, D. C., was the destination of W. P. Campbell.

J. P. Cavanaugh was another Michigan visitor—in Big Rapids. D. W. Hester got as far as Cincinnati. H. C. Jones went to Memphis.

Closer home folks are H. L. Boshears, W. A. Norman, J. H. Worthington, H. W. Henley, E. S. Heath, J. A. Whitson, G. L. Hatcher and R. G. Holmes—fixing up, painting up and fishing.

A Mechanical Operations says John Walpool is back from vacation—Likewise T. S. Swindle and J. W. Gossage, who look so well rested it is believed they stayed right at home.

W. B. Rutherford has completed his two weeks of National Guard Training in Georgia. J. Gresham went up.

Continued on Page 4

Get-well wishes went to the following Y-12 employees who were patients in the Oak Ridge Hospital last week:

W. L. Adkins, A Mechanical Operations; Joseph Ailey, Colex Operations; E. Colburn, Stores; A. T. Barger and J. E. Morgan, Guard; M. T. Johnston, Buildings and Grounds; Roy P. Russell, Chemical; Delia Asbury, Property; K. W. Rainbolt, Electrical Maintenance; Lucille Simpson, Charles Walker and Wilbert Hurd, Janitors.

# Newcomers Take Plant Loops Leads; Ridgerunners Win Four Straight In Drive

## Bombers Win Two While Dirty Niners Divide In American; Hill Hurls No-Hitter For Tops

Newcomers took over leading spots in both the National and American Leagues of Y-12 softball players last week as play was resumed after the rains ceased. At the end of the week's playing period last Thursday night, action had been featured by a four-game winning streak of the Ridgerunners in the National League that sent them

Schedule for both the American and National Leagues for the week beginning June 27 follows:

**MONDAY, JUNE 27, PINETREE**  
6 p.m., Dirty Niners vs Vols. 7:30 p.m., Rebels vs UCJV.

**TUESDAY, JUNE 28, PINETREE**  
6 p.m., Dirty Niners vs UCJV. 7:30 p.m., Bums vs Beta Two.

**WEDNESDAY, JUNE 29, PINETREE**  
6 p.m., Rebels vs Steamers. 7:30 p.m., Sunflowers vs UCJV. 9 p.m., Engineers vs Bums.

**THURSDAY, JUNE 30, PINETREE**  
6 p.m., Rebels vs Vols. 7:30 p.m., Sunflowers vs Steamers. 9 p.m., Beta Two vs Engineers.

**FRIDAY, JULY 1, PINETREE**  
7 p.m., UCJV vs Steamers.

League standings and results as of last Thursday night, June 16, follows:

AMERICAN LEAGUE STANDINGS				
Team	W	L	T	Pct.
Bombers	8	2	0	.800
Dirty Niners	7	2	1	.778
Sunflowers	5	3	0	.625
Rebels	5	4	0	.556
UCJV	5	4	0	.556
Vols	4	4	0	.500
ADP	3	7	0	.300
Wildcats	3	8	0	.273
Steamers	1	7	0	.125

NATIONAL LEAGUE STANDINGS				
Team	W	L	T	Pct.

D Doodies	2	2	0	20x	x-6	4	9
Thomas and Osborne. Burnett and Garrison.							

## Team No. 2 Leading In Pistol League

Team No. 2 took over the lead in the newly organized Y-12 Plant Pistol League last week by piling up two points with scratch and handicap wins over Team No. 1, Teams No. 3 and 4 split even with one point each. League play opened auspiciously at the Oak Ridge Sportsmen's Association range with 14 out of 16 squad members of the Winter League Y-12 team turning out and a pair of newcomers, Pyle and Dietrich were welcomed. All Y-12ers wishing to fire with the team are cordially

soaring to the top. In the American League, the Bombers won a pair of games while the former loop leaders, the Dirty Niners, could only divide two contests. In the National League Beta Four, leaders for several weeks, won their only contest but still fell to second place.

### Postponed Games Begin July 5

The first half of the season schedule runs out after play of next week. However, scheduling of postponed games will begin on Tuesday, July 5, and these contests will be staged before the second half of the season gets under way. Teams will observe the regular schedule for next week.

After a long period of idleness, the Ridgerunners really came out firing to post their four triumphs. They ran up a 24 to 0 landslide over the Sparkplugs, trounced the D Doodies 14 to 3, bumped Beta Two 8 to 3 and bounced the Bums 8 to 2. Hurler Hill did the "iron man" stunt by pitching all four wins and never being in serious trouble. He let the Sparkplugs down with exactly no hits in that contest.

The only other National League game of the week was the Beta Four 19 to 6 victory over the D Doodies. Thomas pitched and batted the winners to the triumph.

In the American League the Bombers staged their drive at the expense of the Steamers with an 8 to 6 win, and the Uranium Control Junior Varsity, licked by 6 to 3. Hatmaker was the winning pitcher in both games and against the Steamers he walloped a homer and two singles for three for three.

### Sise Stops Dirty Niners

One of those wholesome incidents for amateur plant leaguers was the 7 to 5 victory by the previously in and out Rebels over the Dirty Niners. The winners got away to a seven-run lead in three innings and then stood off a Dirty Niner rally that tallied their only five runs in the sixth, before the veteran Ed Sise quelled the uprising. The Dirty Niners then came back strong to tree the Wildcats by 12 to 5 by counting seven runs in the first inning and then coasting.

In the other American contest, the ADP outfit blanked the Steamers by 10 to 0 as Baker pitched a one-hitter at the losers, that safety coming in the first inning.

invited to report for firing on scheduled dates. Next firing will be tomorrow night, Thursday, June 23, at 6 p.m.

Team No. 2 took a 714 to 705 scratch and 867.803 handicap decision from Team No. 1. Individual scratch and handicap scoring for Team No. 2 was P. H. Williams 263, 289.733; M. L. Woodard 218, 286.700; and H. Pruden 233, 291.370. For Team No. 1 scores were T. J. Bush 245 (scratch only), C. G. Brewster 233, 287.478; O. C. Beatty 227, 287.700; L. E. Hedrick 287.910 (handicap only).

Team No. 3 beat Team No. 4 by 731 to 726 in scratch firing but lost by 869.814 to 863.887 in handicap scoring. Team No. 3 scoring was J. C. Ezell 261, 287.017; R. L. Vanderpool 251, 290.416; Dietrich 219 (scratch only; A. V. Bible 286.454 (handicap only). Scores for Team No. 4 were W. R. McIntosh 254, 288.482; J. H. Rowan 236, 290.170; E. Scott 236, 291.162.

Williams, Team No. 2, was high scratch gun of the night with his 263. Pruden, also of Team No. 2, was top handicap scorer with 291.370.

THE BOMBERS, PICTURED HERE, TOOK OVER THE LEAD LAST WEEK IN THE AMERICAN LEAGUE OF Y-12 plant softballers. In the front row, from left, are B. J. Youngblood, E. G. Blanton, Hugh Breazeale, Bill Ramsey, Carl Frazier, Bill Rains, John Byrd and E. E. Breazeale. In the rear are John aker, Bob Bledsoe, Pete Grubb, Freeman Castleberry, Coleen Shotts, T. Henry, Robert McNabb, Gib Hatmaker and Manager R. J. Luck.

"HIGH AND INSIDE" WAS UMPIRE MILTON DICKENS' CALL ON A pitch by Charley Kirkwood, of Uranium Control Junior Varsity, not shown in picture, that caused batter Carl Frazier, of the Bombers, to duck quickly to keep from being dusted off. The catcher is Harold Little, of UCJV.

## 21 Prizes Going To Tourney Winners; Hole-In-One Contest Will Be Feature

A large throng of Y-12 golfers is expected to compete in the third week-end golf tournament which is slated for Saturday of this week, June 25, at the Oak Ridge Golf and Country Club. Tee-off time for the pasture pool enthusiasts will begin at 7 a.m. with all players being off by 8:45 a.m. The Recreation Department will present 21 handsome prizes to the lucky winners in the various events of the tourney.

### New Teams Invited To Join Knox Loop

New two-man golf teams are invited to join the Y-12 Plant Golf League at Whittle Springs, Knoxville, when the second half of the season will open during the week beginning Sunday, July 3. The loop will play its matches in calendar weeks beginning on Sundays in the future.

There now are nine teams in the Knoxville circuit and at least three more will be welcome, according to Joe Miller, league secretary. However, as many pairs as apply will be admitted to the loop, he said last Friday. Any golfers wanting to join the group is asked to communicate with Miller, plant telephone 7508, or the Y-12 Recreation Department, Room 221, Bldg. 9704-2, plant telephone 7751.

League standing as of last Friday follows:

Team	W	L
Sawyer-Ludwig	12 1/2	5 1/2
Speas-Heins	10 1/2	4 1/2
Miller-Sexton	8 1/2	3 1/2
Freeman-Kovach	8	4
Caton-Perry	2	1
Burrus-Sherrad	9 1/2	11 1/2

### Tiller - E. Roberts First Round Champs

In a close finish, the Arnold Tiller and Eddie Roberts team won the first half of the season championship in the Roane County Golf League for Carbide players. The first six teams in the circuit were closely bunched at the conclusion of the first seven weeks of play.

For the week beginning Sunday, June 26, the schedule of play follows:

Cromer-Martin vs Kahley-Say-

### Hole-In-One Is Tourney Feature

A hole-in-one contest will be the feature attraction of the tournament. The event will be staged on Hole No. 3, a 140-yard shot from the tee. First, second and third places will be awarded to the three golfers getting nearest the cup with their drives.

All golfers entering the affair will be divided into three divisions of play. This is being done for the purpose of balancing the competition. Division No. 1 will be players with handicaps from scratch through 12. Golfers with handicaps from 13 through 22 will comprise Division No. 2 and Division No. 3 will include everyone with handicaps from 23 through 36.

Prizes in Division No. 1 will be awarded first and second places in gross and net scores and also for the low gross score on the front nine holes.

The Division No. 2 prizes will be given to the first three gross and net scorers and also for the low gross score on the first nine holes. A lucky name drawing contest also will be held in Division No. 2. The prizes in Division 3 will be the same as those in Division No. 1.

Green fee for the tournament will be \$3. Handicaps for the tournament will be obtained by the entrants from the official scorer on the morning of the contest.

lor. Tiller-E. Roberts vs Parker-Guinn. Mee-Owings vs R. Roberts-Pletz. Hamil-Mackey vs Ellis-Anglin.

League standing at the end of the first half of the season follows:

Team	W	L
Tiller-E. Roberts	14 1/2	6 1/2
Hamil-Mackey	13 1/2	7 1/2
Parker-Guinn	13	8
Kahley-Saylor	12 1/2	8 1/2
Ellis-Anglin	11 1/2	9 1/2
Mee-Owings	10 1/2	10 1/2
Cromer-Martin	6 1/2	14 1/2
R. Roberts-Pletz	2	19

## Day Fishing Rodeo Prizes Are Awarded

### Around 30 Fine Fish Compete In Event

Around 30 worthy entries were tossed into competition in the fishing rodeo for straight day scheduled Y-12ers that ended June 12. Handsome prizes were awarded by the Y-12 Recreation Department to first and second place winners in each of seven species of fish eligible for awards. Entrants could receive only one award in the rodeo.

A whopping seven-pound, five-ounce largemouth bass was the biggest fish taken in the rodeo and it brought first prize to Thomas E. McCarroll, who has been prominent among the Y-12 angling fraternity for years. Winners in the other categories also were rated well for the specie.

First and second place winners in the rodeo follow:

**Largemouth bass**—Thomas C. McCarroll, seven pounds, five ounces, George S. Ferrell, four pounds.

**Smallmouth bass**—O. J. Rhea, two pounds, eight ounces. Robert P. George, one pound, four ounces.

**Striped bass**—Royce L. Vanderpool, two pounds, nine ounces. Nelson Tibbatts, one pound, 14 ounces.

**Walleyed pike**—Avery Kendig, two pounds, eight ounces. James L. Smith, two pounds, six ounces.

**Sauger pike**—John Vanderpool, three pounds, eight ounces. W. E. Davis, two pounds.

**Crappie**—L. B. Morrow, one pound, eight ounces. (Only entry).

**Trout**—Larry E. Hedrick, one pound, eight ounces. (Only entry).

## Concord, Kingston Cruise Is Proposed

Yachtsmen and just plain boat owners in Y-12 have been invited to join a cruise from Concord Park to Kingston on July 4. The purpose of the cruise will be to attend motor boat racing at Kingston on the afternoon of Monday, July 4.

It is proposed that the boats leave Concord beginning about 9 a.m. for the lighter-powered craft for the approximately 45 mile trip to Kingston. The return from Kingston would begin about 4 o'clock, allowing time to come back to Concord before dark. The cruisers would pass through the locks at Ft. Loudoun Dam at Lenoir City. Parties would take their lunches along and eat on the way.

C. K. Saunders, of the C Shift in Beta Four Department, plant telephone 7-8251, is aiding in organizing the cruise. Any Y-12ers interesting in joining the cruise are asked to communicate with Saunders.

"Kawliga" Owens**, the department's own "Injun Maid," vacationed on the former Morristown reservation . . . **A. D. Leach** and

THIS IS ONE OF THE FIVE NEW BULLETIN BOARDS PLACED AT Y-12 portals to dispense official Y-12 information to all employees.

## New Bulletin Boards Placed At Portals To Dispense Official Y-12 Information

Large and well-lighted bulletin boards have been placed at each of the five Y-12 portals to be used in posting official plant information such as bulletins, safety and security posters and other material. The

new bulletin boards will replace the numerous and widely scattered smaller bulletin boards in buildings throughout the Y-12 Plant Area as a medium for dispensing official Company information.

These smaller boards will no longer be used for posting plant information as all such matter will be concentrated on the five larger boards at each portal. The big boards are placed so as to be easily seen by all employees on entering and leaving the plant.

The new, big boards are approximately four by seven feet in size, giving ample room for a number of messages. They will be lighted so as to be easily seen at night.

**SUPERINTENDENTS**

General Utilities extends condolences to **Ray Mann**, whose brother-in-law died last week in Memphis . . . Vacationers were and are **C. A. Cox**, **Walter Sweeten**, **J. A. Braden** and **K. E. Caughron**.

## Vote On Awards Seen Determining Wishes

Continued from Page 1

articles from which to choose 11 and a wide variety of items was included.

**Thermos Jug Most Popular**

The top article chosen was the one-gallon thermos jug which polled 113 votes. The other articles chosen in the voting and the number of votes cast were bench tool grinder 80, first aid kit for home or automobile 72, block plane 67, knife sharpener 62, potato cutter 57, alarm clock 52, twin hamburger press 49, lawn sprinkler and two-cup percolator tied at 43 each, Paper-Mate pen 41.

The 15th Carbide Safety Period of more than 1,500,000 man-hours of plant operations established in the Y-12 Plant Area extended from March 12 through May 8, inclusive, when 2,034,575 hours of work were performed without a disabling injury. The period without a lost time accident was 58 days.

## Y-12 Credit Union Extends Loan Time For New Cars

The Y-12 Employees Credit Union has announced that in the future loans will be granted on 1955 model automobiles to run over a period of 30 months, or two years and a half. The previous time limit for new car loans was 24 months. This is expected to enable numerous prospective buyers of new automobiles to make their selections early and make their monthly payments less. The interest charge on all Y-12 Credit Union loans is one per cent per month on unpaid balances.

**S. Laymance**, plant telephone 7-8402, home telephone 532-W, Harriman.

## Hines-Emlet Team Advances In Ridge

The Hines-Emlet team in the Y-12 Plant Golf League for Oak Ridge players turned in the biggest margin of victory in matches on June 15 when they walloped the McLendon-Underwood combination for five points. Four point wins were turned in by Peterson-Patterson over Orrison-Saylor, Smith-Koons over Mitchell-Matthews and Ratjen-Snyder over Boyd-Oliphant. The Hines-Emlet triumph placed that outfit in second place in the league standings behind the idle Peckman-Holzkecht team.

League standing at end of play last week follows:

Team	W	L
Holzkecht-Peckman	29	13
Hines-Emlet	26	16
Boyd-Oliphant	24	18
Orrison-Saylor	24	18
Peterson-Patterson	21	21
Smith-Koons	21	27
Ratjen-Snyder	17½	24½
Mitchel-Matthews	15	27
McLendon-Underwood	14½	27½

## ORNL Scientist In Y-12 To Speak At Seminar Meet

Charles Goodman, an Oak Ridge National Laboratory employee in the Y-12 Plant Area, will lead the weekly meeting of the Oak Ridge Physics Seminar on Friday afternoon of this week, June 24. The session will be in the auditorium of Bldg. 4500, ORNL. Goodman's topic will be "The Beta Spectrum of Rubidium 87." All Y-12 interested in the subject are invited to attend the meeting.

newsmen and old pal of this column.

**Naw**—the colyum conductor don't get paid space rates for this job—his income tax would be too high. That's enough for this time.
